PACKAGE DEALS

Florida by the Shore

Idyllic getaways at eight of the state's finest seaside resorts

By M. Brandon Wall

Windward: the Dye course at Gasparilla

PLACE

GASPARILLA INN & CLUB **Boca Grande**

THE DEAL

Golf & Spa: one night in the historic hotel; one round with cart on the Pete Dye-designed course, which sits on an island in Charlotte Harbor, and one sixty-minute Swedish or deep-tissue massage; basket of fresh fruit

THE GOLF

The inn has had golf since the early 1900s, but in 2004 Dye essentially started over. He redesigned almost every hole, improving the drainage and removing many trees, particularly on fourteen through sixteen, which now play rousing along the sea.
